Washington, D.C. 20520

JUL 14 2008

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles that are firearms controlled under Category I of the United States Munitions List sold commercially under a contract in the amount of \$1,000,000.

The transaction contained in the attached certification involves the export of 3,053 Bushmaster C15 M4A3 semi- and fully automatic rifles and one repair kit. These rifles are being sold to the Royal Thai Navy.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "Matthew A. Reynolds".
